

the
Lunch
Lady

Dear Parents of **Bessborough School**

The Lunch Lady will be starting service at your school effective Tuesday September 10th. Our lunch service is available each week on Tuesday, Wednesday and Thursday.

The Lunch Lady is an all-Canadian success story which began in 1993 with one MOM and one lunch order for one school. Today the Lunch Lady Family delivers thousands of lunches every day to children in schools across Canada.

Every lunch:

- meets or exceeds current provincial nutritional standards
- is prepared daily with care in an inspected, school safe commercial kitchen
- can be modified for students with allergies or special food needs
- includes any applicable taxes and often a contribution to your school
- gives busy parents a welcome break!

You can learn more about us by visiting our website at www.thelunchlady.ca

Once you have set up an account on our system, you will receive order confirmations, menus, updates and reminders from us by email.

If you have any questions, allergy concerns or need assistance to place your order, please feel free to call me on my mobile at 647-294-9301 or email khadija@thelunchlady.ca

A few tips

- If you know what you wish to order, "Type and Tab" your way through the order grid – no need to scroll thru the drop downs each time
- If you have more than one child, Enter and Save after each child and pay once at the end
- To avoid the 10 minute TIME OUT and lose your order, SAVE every now and then if necessary.
- Revisit the site anytime to review your order, your order history or make changes by selecting new codes or delete lunches by clicking on the red – [minus] icon beside the lunch date.
- If your child has allergies, please call me to arrange a modified meal.
- If your child is absent, contact your kitchen prior **8 AM BY PHONE** to have the lunch credited to your account [sorry no refunds- credits only]
